

# JOIN A WORLD OF EXCITING CHALLENGES WITH INHOUSE CONSULTING

## March 25, 2010

## Deutsche Post DHL Inhouse Consulting Online Career Day

Inhouse Consulting is the international strategy and management consultancy of Deutsche Post DHL, the world's leading postal and logistics group. Inhouse Consulting has grown to become a globally-recognized company of more than 130 highly qualified and international consultants located in three offices serving Europe, the Americas, EMEA, and Asia Pacific.

We are interested to talk to open-minded and talented people who can analyze complex global problems. People that come up with fresh ideas and turn them into feasible and profitable business solutions.

During the live meetings and chat sessions with employees you can experience what it really means to work with us.
